Why invest in the Florida Society of Oncology Social Workers

In addition to its longstanding reputation of excellence in continuing education for oncology social workers, the annual FSOSW conference also provides a premier showcase for non-profit, for-profit and individuals committed to providing “exceptional” services to individuals and families. We are also committed to pursuing “best practice” in the field of oncology including cancer centers; outpatient, infusion and radiation clinics; hospice programs, private group practices, skilled nursing and rehabilitation center. We are dedicated to advancing oncology social work practice and advancing new opportunities to join with those organizations that are like minded.

Please join us in an effort to “Preserve, Sustain and Grow” FSOSW’s efforts to respond to this important work by purchasing a Sponsorship Package for your organization.
