

The American Cancer Society's 2023 Exemplary Leadership in Oncology Social Work Award

Exemplary Leadership in Oncology Social Work

This award is sponsored by the American Cancer Society and serves to encourage the recipient's ongoing and future development in the field of oncology social work.

Some of the characteristics of the *American Cancer Society's Exemplary Leadership in Oncology Social Work* nominee (the candidate does NOT have to meet all these characteristics):

- A minimum of 5 years of experience in oncology social work and has demonstrated exemplary leadership, expertise, education, and dedication to the profession.
- FSOSW preferred, but not required.
- Professionalism, integrity, and commitment to oncology social work.
- Creative, compassionate, and goes above and beyond in their community.
- Fully embody social work values and ethics and exemplifies the very best in the field.
- Leader in the profession and in communities through membership in organizations, networking, and advancing the mission of oncology social work.
- Shown leadership in public policy issues important to the profession which impact program/policy development for individuals with cancer and their families.
- Ability to advance the state of oncology social work through education, research, publications or individual consultation.
- Has made valuable contributions to oncology social work, promoting and advocating for the values of social work in the area of public service.
- Demonstrated commitment to the goals and activities of FSOSW through active participation in the organization, if applicable.
- Support and promotion of American Cancer Society patient services and programs with individual patients and the community.
